COME IN COSTUME / Activities for Children / Open to the Community / Children Must be Accompanied by an Adult  
St. Mary Algoma School / Located in the gymnasium / 214 Church St. Algoma

Saint Mary School is participating in Operation Christmas Child (OCC) for its 4th year and we would like your help. OCC is a program that was created to spread the message of Jesus Christ and provide a small gift to children in areas of the world that are war torn and poverty stricken. We would like to spread the message of the upcoming advent season by preparing shoeboxes filled with toys to send to these children in crisis. Last year, with your generous support, we were able to fill 66 boxes! Our goal this year is 75.

Each shoebox should be filled with items that a child can enjoy. These could include games, a stuffed animal, silly straws, cards, dolls, or candy. Items don't necessarily have to be something that can be played with. Cups, spoons, and forks are essential items that we take for granted but are luxury items elsewhere. The children we are sending these gifts to range in age from 2 yrs to 14. Storage containers, such as the ones we request for supply boxes, can be sent in as well giving the child in need a place to keep their treasures.

Used items, liquids, perishables, glass, war related items, and items that melt **CANNOT** be sent in the boxes. **NO candy or toothpaste** can be sent either due to past problems with customs and expiration dates. Additionally, each box costs \$9 to ship if anyone is interested in helping pay for postage.

This is a great opportunity for us to teach empathy, religion, social studies and language arts. Every package that shipping is paid for can be tracked across the world giving us the chance to explore countries that do not typically fit into our curriculum.

We will be holding a packing party on **November 17 at 12:30**. This will take place in the school gym. Anyone who would like to join us is welcome to come and join in the fun. Donations can be dropped off in the classrooms until November 17th. Families may create and send in boxes as well. Those who do so may wrap the box in Christmas paper, but it needs to be wrapped with the lid and box separately so that it can be gone through at the various checkpoints. If money is any issue and you feel that you may not be able to contribute in any way, please pray for us in this endeavor and over the shoeboxes. Prayers are free and always accepted! If you have any questions, please feel free to contact one of our staff members.
