

Wheelathon

For fun!! For fitness!! For St. Mary School!!

St. Mary School is holding its annual Wheelathon to benefit the school. All students in grades K-8 will keep those wheels a rollin' on **Friday, May 12th**, on our own playground and around the block from approximately 12:30 to 2:45 pm.

Parents will be notified by 11am via text alert in the event of a cancellation.

Students can bring any of the following types of wheels in order to participate: bikes, roller skates or blades, scooters, trikes, or big wheels.

Each student will need the permission slip filled out below and turned in, to participate in the Wheelathon.

Even though all children can participate in the Wheelathon with or without pledges, we encourage each student to try his/her hand at fundraising for his/her school with your help, of course.

Students will enjoy a special treat following the Wheelathon.

As always, we depend upon volunteer help from you. If you would like to spend an afternoon outdoors with a great bunch of kids, we will need help at various stations along the bike route. Please indicate if you are able to help out down below.

Thanks for all that you do for St. Mary School!!

ST. MARY SCHOOL WHEELATHON PARTICIPATION AND WAIVER FORM

I give permission for my child to participate in St. Mary School Wheelathon either on school grounds or selected routes. I know of no medical reason that would prevent my child from participating safely. **My child WILL wear a bicycle/safety helmet. In addition, if using roller skates, roller blades, or scooter, my child WILL wear elbow and knee pads.** I have checked my child's bicycle or other equipment and found them to be in good working condition. I assume the risk of injury to my child in this event and give up any and all claims for damages I may have against St. Mary School or others associated with this event.

STARS SUMMER READING SKILLS

ONLINE
PROGRAMS

Individualized programs include engaging instruction, independent reading in great books, and a skilled and encouraging teacher.

4-Year-Olds and Entering Kindergartners: In these fun summer programs, your child will learn to read: Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and will be excited about books and reading.

Entering 1st Graders: In this fun summer program, your child will learn to read independently. Children learn phonics and sight words, build fluency and comprehension, and develop a love of books and reading. Your child will be excited about reading and get off to a great start in first grade.

Entering 2nd Graders: In this fun summer program, your child will become a fluent, confident reader. Children build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Your child will be excited about books and reading and get off to a great start in second grade.

Entering 3rd Graders: In this fun summer program, your child will become a fluent, confident reader. Children develop long-word decoding skills, reading fluency, and excellent comprehension. Your child will develop a lifelong love of books and reading and get off to a great start in third grade.

Entering 4th Graders and Entering 5th Graders: In these fun and effective summer programs, your child will become a skilled, enthusiastic reader. Students develop strong comprehension skills in both fiction and non-fiction and learn how to read and study textbooks. Your child will gain confidence and develop a lifelong love of books and reading.

Entering 6th-8th Graders and Entering 9th-12th Graders: In these effective and enjoyable summer programs, your child will improve comprehension in both fiction and non-fiction and learn to read twice as fast. Students learn the best way to read and study textbooks and take notes. Your student will complete homework more quickly and easily and enjoy reading more.
